

Department of Molecular Biosciences Fall 2006 Seminar Series

**3:30 PM
Mondays
1005 Heworth Hall
Lawrence Campus**

August 21

Emily Scott

Medicinal Chemistry
The University of Kansas

August 28

Saul M. Honigberg

Biological Sciences
University of Missouri-
Kansas City

September 11

Krzysztof Kuzera

Molecular Biosciences
The University of Kansas

September 18

Bill Picking

Molecular Biosciences
The University of Kansas

September 25

Sherry Fleming

Division of Biology
Kansas State University

October 2

Scott W. Hiebert

Vanderbilt-Ingram
Cancer Center

October 9

Harold P. Eriksen

Dept. of Cell Biology
Duke University

October 16

Marisa Newcomer

Dept. Biological Sciences
Louisiana State University

October 23

Leonard Dobens

Biological Sciences
University of Missouri-
Kansas City

October 30

Todd Helyesik

Biochemistry &
Molecular Biology
KU Medical Center

November 6

Juan Brusés

Anatomy & Cell Biology
KU Medical Center

November 13

Mark P. Foster

Dept. of Biochemistry
The Ohio State University

November 20

Stefan H. Beszmann

Dept. of Chemistry
Kansas State University

November 27

John D. Rabartsen

Pharmacology, Toxicology &
Therapeutics
KU Medical Center

December 4

Katherine A. Jonas

Regulatory Biology Lab
Salk Institute
