

DEPARTMENT OF

Molecular Biosciences FALL 2010 | SEMINAR SERIES

www.molecularbiosciences.ku.edu/seminars/

3:30 PM • **Mondays** • 1005 Haworth Hall • Lawrence Campus

AUG

August 23
Wonpil Im

KU Molecular Biosciences
and Bioinformatics

August 30
Yoshi Azuma

KU Molecular Biosciences

(Wednesday)

September 8

Roberto De Guzman
KU Molecular Biosciences

September 13

Erik Lundquist
KU Molecular Biosciences

OCT

October 4

Timothy Karr
Biosdesign Institute,
Arizona State University

September 20

Ricardo Bernal
Dept. of Chemistry,
University of Texas, El Paso

September 27

David Davido
KU Molecular Biosciences

SEPT

October 18

Mark Alkema
Neurobiology, U. Mass
School of Medicine

October 25

Edward H. Egelman
Dept. of Biochemistry & Mol.
Genetics, University of Virginia

November 1

Lynn Hancock
Division of Biology,
Kansas State University

November 8

Keith Maggert
Dept. of Biology,
Texas A&M University

NOV

November 15

Neil Osheroff
Vanderbilt University,
School of Medicine

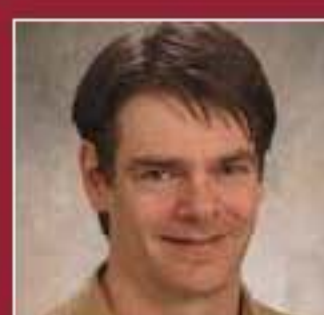

November 22

J.P. Masley
Dept. of Zoology,
University of Oklahoma

November 29

Gaya Amarasinghe
Biochemistry, Biophysics & Molecular
Biology, Iowa State University

December 6

Benoit Roux
Biochemistry & Molecular Biology,
University of Chicago

DEC
