

DEPARTMENT OF

Molecular Biosciences

SPRING 2012

SEMINAR
SERIES

www.molecularbiosciences.ku.edu/seminars/

3:30 PM • **Mondays** • 1005 Haworth Hall • Lawrence Campus

JANUARY

January 23
Susan Lea
University of Oxford

January 30
Michael Herman
Kansas State University

February 13
Jon Heinrichs
*Microbial
Vaccinogenesis TG Speaker
Merck*

February 20
Vern Schramm
*Chemical Biology TG Speaker
Albert Einstein College of
Medicine*

February 27
Kathleen Goss
University of Chicago

FEBRUARY

MARCH

March 5
Richard Rest
*Drexel University
College of Medicine*

March 12
Charalampos Kakodimos
Rutgers

March 26
Arash Bashirullah
University of Wisconsin

APRIL

April 2
Stefan Rothenburg
Kansas State University

April 9
David Ballou
*Newmark Lecture
University of Michigan*

April 16
Antonio Colavita
*Ottawa Hospital
Research Institute*

April 23
Michael Granato
*University of
Pennsylvania*

April 30
Chris Whitman
*Chemical Biology TG Speaker
University of Texas*
