Molecular Biosciences Travel Awards

**Deadlines:**  October 16, 2015 ♦ January 15, 2016 ♦ April 1, 2016

Awards will be made for reasonable travel and expenses for an individual student. Preference will be given to individuals presenting talks or posters at national or international meetings in their research area. Support for training at national laboratories also will be considered. All applications must be submitted electronically to the awards committee via John Connolly (jconnolly@ku.edu).

Each travel application must include:

1. Letter from applicant describing suitability for a travel award, including description of any previous departmental travel support.
2. Copy of applicant’s CV and DPR (Degree Progress Report).
3. Budget: estimated expenses *no more than* $1,000.
5. Copy of the abstract that will be published and presented at the meeting.
6. Letter from the faculty advisor attesting to the student’s need and research progress. *If more than one request is made from a single lab in a year, the letter must rank each student and indicate other possible travel support.*

- Be sure to complete the online Travel Request Form, ahead of your travel dates: [http://ssc.ku.edu/travel-request-form](http://ssc.ku.edu/travel-request-form).
- All awards are given on a reimbursement basis so you will need to keep all of your *itemized* receipts upon returning from a meeting.
